

corporate recovery & restructuring

HBJ Gateley Wareing

Our corporate recovery team provides banks, asset based lenders, finance companies, venture capitalists, insolvency practitioners, companies and directors with a full range of restructuring and insolvency services.

Our approachable team of 12 partners and over 25 fee earners offers a commercial, proactive and solution-driven service tailored to individual client requirements. With an experienced national team of this size we have the capacity to deal with the UK's most significant instructions as well as cross-border assignments.

The depth of expertise held within the team enables us to deal with a wide variety of instructions including restructuring, pre-insolvency advice and formal and informal insolvency procedures. Individual members of the team also specialise in security review and security enhancement advice to lenders and obtaining recoveries in circumstances where there is evidence that a company has suffered loss as a result of fraud.

The members of our corporate recovery team are based in our London, Birmingham, Edinburgh, Glasgow, Leicester and Nottingham offices.

Our corporate recovery team operates as one national team across the UK advising on:

- Restructuring;
- Security reviews and security enhancement;
- Pre-insolvency advice;
- Formal insolvency processes including appointments of administrators, liquidators and receivers;
- Company voluntary arrangements;
- Directors' disqualification;
- Fraud;
- Transactions at undervalue/gratuitous alienations;
- Preferences/unfair preferences;
- Bankruptcy;
- Pensions;
- Tax;
- Complex litigation.

"A consistently strong and well-resourced outfit."
